QA Specialist – Batch Record Review (m/f/d)

Job Responsibilities

- GMP-compliant and timely review of batch records and manufacturing documentation
- Quality review of production, packaging and QC documents to support batch release decisions by the Qualified Person
- Documentation review for finished medicinal products, semi-finished goods, bulk products and intermediates
- Processing of inspection lots, data maintenance and research in SAP and other quality management systems
- Preparation, uploading and archiving of certificates and batch documentation
- Support in reviewing and updating SOPs, forms and templates

Requirements

- Bachelor's degree in natural sciences or completed vocational training in a comparable technical, pharmaceutical or scientific field
- At least 2 years of relevant professional experience, preferably in the pharmaceutical industry
- Very good GMP knowledge and a strong understanding of regulatory documentation requirements
- Proficiency in MS Office; knowledge of SAP and quality management systems is an advantage
- Fluent German and good English communication skills, both written and spoken
- Structured, accurate and independent working style with a strong sense of quality, teamwork and resilience
